- c. Major portion of comprehensive exam passed:
Major advisor _____ Print _____ Date _____
- d. Notification of completion of IGMCS program:
IGMCS Program Committee Chair _____ Print _____ Date _____

Copies to: Student, signers, major dept., and Graduate School

Where do I start?

1. Review the IGMCS program requirements:
<http://igmcs.utk.edu/requirements>
2. Check the list of available courses and choose a course distribution that meets the requirements: <http://igmcs.utk.edu/departments>
3. Download the registration form (interactive PDF):
<http://igmcs.utk.edu/registration-form>
4. Fill out Sections 1–6 of the registration form. Section 6 is where you will lay out your course distribution as your academic plan.
5. Email this first draft of the form to the IGMCS admin (igmcs-questions@icl.utk.edu) for vetting.
6. At this point, the IGMCS admin will guide you through the rest of the process (i.e., getting your first set of signatures) and address any concerns.

Note:

The student does not have to complete all courses before registering. A viable academic plan that adheres to the requirements outlined here is sufficient to register and enroll in the program.
